

Dear All,

Please see below the latest crime update for Shortlands Ward, with thanks to our DWO PCSO Adam Charles.

I have attempted to give you a link to West Wickham Police Twitter link for you to see two CCTV pictures (dated 11 April and 16 April) of the suspect involved in the theft of rear light clusters from Land Rovers. The Twitter address is West Wickham Police @MPSWestWickham and the link should be <https://pbs.twimg.com/media/Da5o6e2W0AAoE4m.jpg:large> . Hope it works!

Kind regards,
Graham.

Dear Residents

Please find below the crime record for the 1st to 15th April.

Disappointing to see there were three burglaries during the last fortnight especially as none of the victims were at fault.

More worrying was that an elderly couple fell for the horrible tricks of fraudsters. Remember never give your bank details over the phone. Hang up, go to your Bank branch to check in person and report the incident. In addition to reporting to the Bank you need to also report the incident to the Police. Unfortunately fraudsters are coming up with new questions to gain people's trust.

On a happier note our crime rate remains low and Shortlands is a very safe place to walk round.

Our **next contact points** are as follows-:

Friday 20/04/18 3pm-4pm Shortlands Library, Shortlands Road

Thursday 26/04/18 1pm-2pm Costa Coffee, Westmoreland Road

Thursday 03/05/18 10am-11am

Kind Regards
